**SUPERINTENDENT'S REPORT OF THE SCHOOL
AT MONHEGAN**

To the citizens of Monhegan:

I hereby submit my first report of the condition and progress of the school at Monhegan, beginning in September 1922.

The Fall Term began September 12, with an enrollment of 19 and sustained an average of 16 for the term. The Winter Term began January 8 with an enrollment of 17 and has sustained an average of 15 up to February 8.

The school has introduced into its course of studies considerable Junior High School work. Classes in Algebra and Latin have been formed and a good degree of progress is being made in these studies.

Miss Ernestine W. Bracy, of York Village, Maine was chosen to teach and her work is very much appreciated by the parents and citizens. Miss Bracy is

a graduate of Gorham Normal School, and has had several years of successful teaching experience.

Play ground activities have received special attention, as evidenced by a croquet set together with other provisions for the recreational life of the school.

The School Building has been painted, and new curtains have been provided, giving the building a very attractive appearance.

The teacher's salary is \$20.00 a week. Recent action of the School Committee calls for a school year of 32 weeks.

The superintendent would recommend that parents visit the school frequently in their locality, that the inspiration of their presence may become a source of encouragement to teacher and pupils that a deeper interest may be in evidence, and a good spirit of cooperation existing, that the school may rise to the ideal that the community desires attained.

State money for the town, for schools, comes to us on a new basis of appropriation, as follows: \$100.00 for each teaching position, \$3.00 for each pupil in town between the age of 5-21, \$.0179 for each day attendance. This basis of appropriation renders the amount for Monhegan slightly less this year than last.

I wish to take this opportunity to thank the School Committee of Monhegan, the teacher and parents, and citizens for the support that they have given me in the administration of my duties.

Respectfully submitted,
GEORGE W. M. KEYES
Superintendent.
